HOSPITAL COST SAID LESS THAN $4 A YEAR: NILES C. OF C. OKEHS BONDS

A home-town hospital will cost most Washington Township property owners less than $4 a year more in taxes, the chairman of the township's hospital district told the Niles Chamber of Commerce Tuesday.

L. S. Whitaker, the speaker, was rewarded with an endorsement of the $1,250,000 bond election, scheduled for November 4.

Whitaker's remarks followed those he made the night before at a public meeting in Niles Elementary School. He declared:

1. The hospital—proposed for a site on Santos Road—will offer complete service, including emergency, with trained nurses on duty and local doctors on call from their offices nearby.

2. It will keep doctors in the Township, "where now there often isn't a single one here because they're all in Oakland or San Jose attending to patients."

3. Indigents will be passed on to county institutions, "since this isn't a county hospital, but a community business."

Wednesday night the Township Chamber of Commerce endorsed the hospital bonds.

Whitaker told the Niles luncheers any operating losses for the first few months can come out of a $300,000 surplus the district has built in the past four years out of a 20-cent tax.

The bonds will increase this tax only nine cents, on the average, until they are retired, he went on. This works out at less than $4 for a home assessed at $3000—which is above average here.

He stressed the proposed hospital can quickly be expanded from its rated capacity of 68 beds to more than 100 or 150 beds. The one-story concrete structure is designed so extra stories can be added at a minimum of expense, he added.

On motion of Dr. T. C. Wilson, the Chamber unanimously endorsed the bonds.

WEEK'S WEATHER

Temperatures furnished by the Citizens Utilities Company at Niles:

Date	High	Low
October 9	79	46
October 10	83	48
October 11	72	47
October 12	73	50
October 13	67	51
October 14	68	52
October 15	69	49

Rebekah Reception

Tonight at 8 p.m., Silver Star Rebekah Lodge entertains District Deputy President Ruth Bosley at ceremonies in IOOF Hall, Irvington. Mrs. Bosley heads all Rebekah activities in Southern Alameda County.

Mrs. Ivy Cull of Niles, grand chaplain of the Rebekah Assembly of California, and Mrs. Edna Hescher, member of the assembly's credentials committee, attended a reception in Chowchilla Sunday honoring Mrs. Signa Alvord, grand conductor of the assembly.

'SWAP' GETS NOD

Tentative approval of the proposed zoning "swap" involving Southern Pacific land on Cherry Avenue in Newark was given Wednesday by the County Planning Commission. The railroad and the local Chamber of Commerce have agreed to change industrial zoning on a subdivision site near town and also change residential zoning on a strip of S. P. factory sites. Final hearing is November 17.

DECOTO SCHOOL DISTRICT NEWS

Something new in the way of clinics was given Monday by the Teen-Age Club at Barnard School. The clinic included a film on baby-sitting techniques, a talk on the different aspects of baby-sitting, and a brief demonstration.

Molleyne Bartuneck, president, has released the following information concerning coming events: Excursions to Stanford for games on October 25, November 1, 8 and 15; a combined skating party-dance on Friday, October 17, and a party on Halloween night, October 31.

The Decoto heavyweight football team, under the direction of Alfred Pinard, has fought its way to two impressive victories, trouncing Centerville 12-0, with Manuel Hidalgo and Martin Cervantez scoring the touchdowns; and Irvington 23-6, with Martin Cervantez, Rudy Moreno and Fred Sanchez providing the scoring punch. League play started Wednesday with Irvington at Decoto.

HISTORY SOCIETY VOTES TO BUY VALLEJO MILL

Members of the Washington Township Historical Society last week-end voted to purchase the historic Vallejo Mill site near Niles.

Meeting at the Herbert Harrold home in Decoto, thirty society members instructed a committee headed by Mrs. Roland Bendel to:

1. Negotiate with the City of San Francisco—the owner—for the entire nine acres.

2. Try to buy the acre-and-a fraction immediately surrounding the mill ruins if the city will not sell the whole piece.

Mrs. Bendel's committee is to report to Society directors before the next quarterly meeting, in January. Other committee members are Mrs. Edna Overacker and Paul Power.

At a conference with John Brucato, of the City's water department, two months ago, Brucato told Mrs. Overacker and others that he will recommend sale of at least the smaller piece for about $450.

The Society has about half that amount in its treasury now, and individual members were confident they could raise the balance.

However several present said they prefer to try for the entire nine acres, located at the mouth of Niles Canyon. The City of San Francisco, which obtained the land from the former Spring Valley Water Company, has leased seven acres—excluding the mill ruins—to E. C. Thomas, local steel mill executive, for a trailer court. Mrs. Overacker and members of the Niles Womens' Club protested and the Alameda County Planning Commission refused to grant Thomas a trailer court permit.

At Sunday's meeting, R. H. Cross Sr., a San Leandro banker, suggested the Society buy the entire tract and lease the seven acres to Thomas, meanwhile exercising close supervision over the type of trailer court operated there.

Mrs. Bendel today said she will contact Brucato and others shortly.

HE'S NO BULL, SO MUST STAND TRIAL

Herb C. Wilson, 67, Niles Canyon man who is accused of playing the part of a four-wheeled bull to Bernie Vail's toreador, must face trial in Superior Court.

Wilson was held to answer Tuesday by Judge E. A. Quaresma. The local man is charged with assault with a deadly weapon—his car. Vail is a taxi operator who won a $28 judgment against Wilson.

According to witnesses, Wilson vainly chased Vail in his car, then rammed Vail's taxi, parked on Niles' First Street.

Wilson is free on $1000 bail.

CEREMONY SUNDAY FOR DECOTO P.O.

Decoto's shiny new $15,000 post office will be dedicated Sunday.

Speaker at the 2 p.m. ceremonies, according to Postmistress Mary Janeiro, will be Congressman George P. Miller.

J. Wallace Perry, principal of the Decoto School, will be master of ceremonies, Father Ralph Duggan will deliver the invocation, Boy Scouts of the Decoto Troop will post the colors, and the Washington Union High School band will provide musical entertainment.

Manuel Hidalgo, president of the Decoto Chamber of Commerce, will deliver the welcoming speech. The building is located at Second and E Streets.

VANDALS HIT CHURCH

Youthful vandals pushed out ceiling boards in the new Baptist Church on Fremont Avenue, sheriff's deputies were told last week-end by the Rev. Noel Glover, pastor.

VAYSSIE JOINS PARKS REALTY

Ernest L. Vayssie, Irvington real estate broker who formerly operated out of an Oakland office, this week announced he will be associated with E. C. Parks, Niles broker.

INFANT DIES

Funeral services were held yesterday at Berge Mortuary Co. in Niles for one-year-old Glenn Dale Harvey, son of Mr. and Mrs. Herman Harvey of Sunol, who died Sunday in an Oakland hospital of an intestinal disorder. The child's father is a Niles steel mill employee. The Harveys have an older son, William, and twins, Connie and Johnnie, born last week.

FOR FIRE FIGHTERS . . . Miss Thelma Biale of Niles tells Fire Chief Joe Perry not to miss the Niles Volunteer Firemen's annual dance Saturday in Newark Pavilion. The event raises money to pay firemen's expenses throughout the year.

Niles Gravel Permit is Granted

Commission Okehs Rhodes-Jamieson Pit

In a switch which stunned scores of Niles homeowners, the Alameda County Planning Commission late Wednesday voted 4-2 to grant Rhodes & Jamieson a permit to dig gravel here.

The commission reversed an earlier decision not to permit the firm to excavate a pit along Alameda Creek.

After a public hearing featuring arguments by Rhodes & Jamieson attorney and by Mrs. Roland Bendel, who represents opponents of the plan, the commissioners suddenly decided to vote upon the issue.

Before an emptied courthouse chamber, Commissioner P. J. DeBernardi of Hayward moved to grant the R&J permit. Commissioner John P. Gardella of Livermore seconded, and the duo was joined by Chairman R. J. Wright of Irvington and Commissioner Michael Markovitz.

Commissioners Fred Mellman and George Dugan cast "no" votes.

Mrs. Bendel learned of the switch yesterday when she went to Oakland to inspect a petition favoring the pit. She declared:

"They granted the permit without allowing us a rebuttal. They waited until we went home!" Both Mrs. Bendel and Mrs. Lyle Buehler said they will fight the action.

Late yesterday Supervisor Chester E. Stanley indicated the permit will not become final until it is reviewed by the Board of Supervisors.

"I'm recommending the board hold its own hearing and have both sides represented," Stanley declared. "Our minds are wide open on the subject."

The commission at its meeting, first heard both Rhodes & Jamieson and Adobe Acres dwellers who opposed the proposed pit southwest of Niles.

Then the commissioners deferred any decision until they could "study" the two opposing petitions, bearing more than 300 names—some of them admittedly duplications, according to an R&J attorney.

Mrs. Bendel, acting as spokesman for the opposition, declared:

1. The Niles Chamber of Commerce, the Centerville Chamber of Commerce, and the Alameda County Wated District all have asked the commission to suspend action granting a digging permit until Army engineers finish their flood control surveys along Alameda Creek.

2. Niles, Centerville and Newark Chambers are hoping for a State Highway crossing of Alameda Creek right where the pit would be located.

"If you permit this, for all eternity (Niles) will have to go around by Decoto or Fremont Avenue to get to Centerville," Mrs. Bendel warned.

The gravel company's attorney, M. W. Dobrzensky, replied that a county engineer, Hubert Crowell, told him "projects of this kind fit

(Continued on page 8)

CRUSADE IN THE FIELDS . . . Pledging to work for the United Crusale are these three Irvington girls, being contacted here by Township Fund Chairman Maurice Marks: (left to right) Jane Yamauchi, Sets Umemoto, and Helen Yamauchi. (Register Photo)

New 'Orchard' Offer Made

Troubled water in the Ellsworth Tract got a tentative coating of oil Wednesday night from directors of the Alameda County Water District.

When a 2½-hour session ended in the county building, tract dwellers who have been getting free water still had it.

However, directors who had threatened to derail the gravy train started 65 years ago by the late Hattie B. Ellsworth tossed in a compromise to chew on.

Chairman W. D. Patterson, still unruffled after a stormy confab with 45 Ellsworthians, asked them to consider paying for uphill pumping for 125 gallons per day in return for an "indefinite" hold on the free 125 gallons.

The offer carried with it meters ($10 installation cost) and district rates of 30 cents for every 750 gallons over the free 125.

None of the aroused tract dwellers had an answer for Patterson's offer. But one or two indicated they would call a private meeting to consider it.

Wednesday's meeting was the first between the district and the consumers since Patterson and his colleagues decided last Spring that the tract near Niles is using five or six times as much free water as it is entitled to.

Homeowners, notably Wylie Hall, showed impatience with the red tape of riparian law, as explained with numerous "whereases" and "parties of the first part" by Attorney George Clark.

Patterson agreed the 90 lots are entitled to about 18,000 gallons per day under the ancient Ellsworth contracts with the Spring Valley Company. But he stressed that these contracts specify that the water be delivered only to "a point three feet above the ground" near the old Ellsworth house, and not under pressure necessary to 90 or 100 homes.

Hall complained he bought his lot under the impression he was to get free water, contending "when you buy a car you get the tires too."

He was joined by Bernard Britt, who declared:

"I paid an extra $1000 for my lot to get free water. Somebody's going to pay for that."

Clark implied the home-buyers simply hadn't read the fine print.

Vernon Ellsworth, who recently received $12,500 for his share of the water rights from the district, took the homeowners' side. Said he of the three-foot height limit:

"That's a two-story house, and my grandmother certainly wouldn't have allowed it not to go into her kitchen upstairs."

Richard Nicklassen joined the discussion, declaring:

"I want 125 gallons a day, every day. I'll pay for all over that."

Matt Whitfield, district engineer, created a sensation for a moment when he volunteered:

"A large part of the water now coming down Alameda Creek is polluted water from Camp Parks."

It was pointed out however that Ellsworth water is pumped from underground.

At length Patterson presented his compromise to grant the 125 gallons per day indefinitely in return for assumption of pumping costs to a reservoir—a penny or two per day—by the homeowners.

The meeting broke up without a date set for another one.

MIGHT PAY SMALL FINE, HE SAYS

Emilio Rodriguez is nothing if not a bargainer.

Emilio and his wife, Angela, transients, were arrested Sunday for being drunk in a car near Centerville.

Tuesday they appeared before Judge E. A. Quaresma. Asked if he was guilty, Emilio replied with dignity, through an interpreter:

"If the fine is not too great, I may be partly guilty."

The judge declined to accept Rodriguez' bargain, and returned the couple to jail pending trial October 21.

ARMY FLOOD HEAD HERE WEDNESDAY

Local landowners with flood problems can take them direct to top Army Engineer "brass" Wednesday.

Col. Donald S. Burns, division engineer for the Army, in charge of flood control for the West Coast, will inspect the Niles-Centerville area and will confer with interested ranchers and thers at 10:30 a.m. in the County Building.

Traveling with Col. Burns will be Col. Henry Walsh, district engineer in San Francisco, Congressman George P. Miller, and several county officials. The party also will look over flood problems in San Lorenzo and Livermore.

IRVINGTON P.T.A. NEWS

Irvington P.T.A.'s annual whist party has been set for Friday, November 14. It will be held at the Irvington School community building, starting at 8 p.m.

Mrs. Jack Adams, ways-and-means chairman, is in charge.

The executive board's next meeting will be October 22 at 8 p.m. at the school cafeteria.

The P.T.A. will sponsor the halloween party for the grammar school. Prizes will be given for the best costume, under the direction of Mrs. John Perry, program chairman.

FARM SPEAKER ON BALLOT PROGRAM

Plans for a local "Know Your Ballot" rally here October 28 went forward this week with announcement that a panel of experts representing divergent points of view will be on hand to explain the 24 proposals.

According to Mrs. Harold Korell, chairman of the Women for Better Government, non-partisan group sponsoring the meeting, one of the principal speakers will be O. W. Fillerup, legislative representative of the California Farm Bureau Federation.

Another speaker will be Assemblyman Francis Dunn Jr., it was announced late today.

Other speakers will represent the California Teachers Association, the League of Women Voters, and the California Taxpayers' Alliance.

Committee members met Monday at Mrs. Korell's home in Niles and will meet there again next Monday to formulate final arrangements.

The rally is scheduled for October 28 in Washington Union High School auditorium, with the public urged to attend.

No Homes on Pvt. Roads

No more permits for homes on private roads will be granted until minimum requirements for such roads are set, the County Planning Commission told a prospective Centerville home-builder on Wednesday.

Eugene Manning had applied for a permit to construct a residence off Allen Court. His attorney, LeRoy Broun, was advised by Commissioner Fred Mellman to "argue the matter with Building Inspector (Marcus) Carlson." Carlson already had rejected the permit after instructions from the commission.

Mellman did not say when the new decree would be forthcoming, explaining the commission is "studying" the issue.

BLOOD DONOR TIME AGAIN . . . Reminding you that Monday is blood-donor day in Niles is Jeanne Sclippa of Westvaco, pictured after giving blood for Korean fighting men at the recent Red Cross drive in Newark. Mrs. Estelle Hirsch (right) pours coffee, while another Red Cross worker, Mrs. Nellie Talley, beams approval.

COUNTY DELAYS THORNTON MOVE

Action on proposed 78-foot setbacks on Thornton Avenue was deferred this week by the County Planning Commission.

The State Division of Highways had asked setbacks along the north edge, looking to the day when it can make Thornton a Freeway "feeder."

The Centerville Chamber of Commerce had voted against the scheme, since, in the words of Eugene Manning:

"The State tells us they have no plans for either end of Thornton —just the part between Blacow and Highway 17."

The planning commission delayed action until it hears more definitely from the State what its routes will be.

Say you read it in The Register

GRAVEL TRUCKS AGAIN

A request to the sheriff's substation to patrol I and G Streets in Niles in an effort to halt alleged traffic violations by gravel trucks was authorized Tuesday by Niles Chamber of Commerce President Peter Juhl.

PG&E PIPE YARD GRADING STARTS

Grading began this week on a $500,000 pipe-processing and storage yard the Pacific Gas & Electric Company will build near Decoto next spring.

Last December the utility purchased a 30-acre site west of the Pacific States Steel mill and between the Western Pacific and Southern Pacific tracks for $162,000.

The yard will be PG&E's largest installation of its type. According to William H. Park, PG&E's East Bay Division manager, it will use modern techniques to save an estimated $138,000 per year by lengthening the life of wrapped pipe.

The leveling is being undertaken now before fall rains make it impossible.

Then, said Park, work will be started in the spring as soon as weather permits.

SHERIFF STATION IS ONE YEAR OLD

The Centerville sheriff's substation celebrated its first birthday this week by adding up the services it has performed since its official opening October 15, 1951.

According to Capt. Richard E. Condon, in charge, the office has:

1. Handled more than 300 misdemeanor investigations, 210 felonies;
2. Made 90 misdemeanor and 134 felony arrests;
3. Cleared a total of 142 felony and 2427 misdemeanor reports.

In addition to Capt. Condon, the office is staffed by one stenographer and 21 deputy sheriffs.

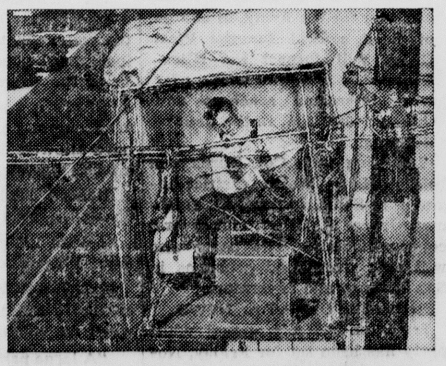
While working—on the job or around home—telephone men find these glasses virtually eliminate eye injuries

SAFE SIGHT | Their vision may be perfect, but most telephone men wear glasses now—special safety glasses that look like ordinary ones

Next time you see a group of telephone men at work, take a second look. Chances are you'll notice they're wearing glasses, perhaps in several different styles. A coincidence? No—for most telephone men now wear individually-fitted safety glasses, and experience has shown that they drastically reduce the danger of eye injuries. That's because they're rimmed, specially treated glasses that won't shatter or break under severe impact. In the last 2 years, they've been issued to some 20,000 Pacific Telephone men as a key part of our Eye Protection Program. And this program is actually only one part of the company-wide safety campaign that has made telephone jobs among the safest in the nation.



Far above the ground, this cable-splicer is completing an aerial splice. Looks hazardous, doesn't it? But the fact is, he's a lot safer than the average pedestrian crossing a busy street. The "messenger strand" from which his work platform is suspended will support a weight far in excess of the safety requirements. His glasses, safety belt, gloves, tools and methods of working are all carefully designed to guard his safety. And, of course —like telephone people everywhere—he observes the familiar Bell System creed: *No job is so important and no service is so urgent that we cannot take time to perform our work safely.* We think it's a good creed—especially important to us, to you and to the nation in these critical times.

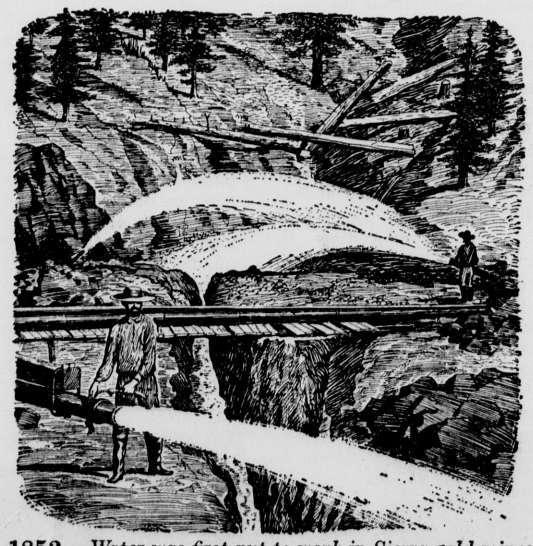
Your telephone is one of today's best bargains

Perhaps the best way to illustrate how low telephone rates are today is to compare our prices with those of other things you use every day—food, for instance. If the price of coffee, for example, had gone up no more, since 1940, than average telephone rates in Pacific Telephone's territory, you'd be able to buy coffee today for about 29 cents a pound.

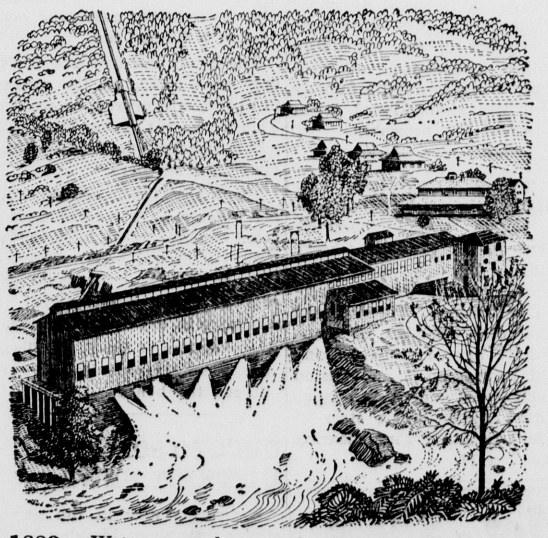
Pacific Telephone

100 YEARS EXPERIENCE

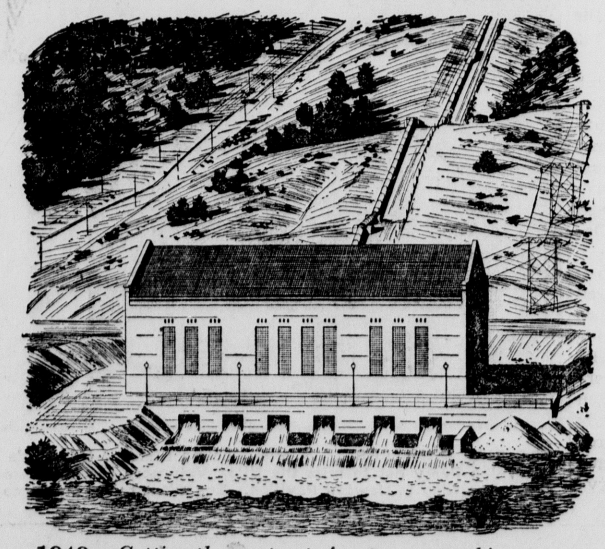
Harnessing the water power of the Sierra



1852—*Water was first put to work in Sierra gold mines served by South Yuba Water Co., a P. G. and E. parent.*



1889—*Water power became electric power in this early Electra plant. Former hydraulic miners helped build it.*



1949—*Getting the most out of water power, this compact new Electra has five times the capacity of the old plant.*

All through the Sierra country you'll see P. G. and E. hydro-electric plants taming mountain water to bring power to you. Here, as elsewhere on our system, careful management and constantly improved efficiency have helped reduce electric rates far below the U. S. average. Today you pay $2.50, on the average, for electricity that would have cost $20 in 1889. This century of P. G. and E. experience has made good electric and gas service truly cheap throughout Northern and Central California.

NEWARK NEWS

By PAT BINDER

MR. and MRS. GENE LEWALLEN were hosts at a pot-luck patio party given at their home last Saturday. Present were Mr. and Mrs. Paul Snowden, Mr. and Mrs. Carl Kveseth, Mr. and Mrs. Marty Sammon, Mr. and Mrs. Carl Pierce, Mr. and Mrs. Bob Peters, Mr. and Mrs. Charles Davis, Mr. and Mrs. Merle Witcraft, Mr. and Mrs. Gene Carroll, Mr. and Mrs. Bob McGinnis and Mr. and Mrs. Arlon Sudbury.

HOUSEGUESTS of the Jim Spears last week were Mr. Spear's aunt and uncle, Mr. and Mrs. Fred Lowry of Salt Lake City, Utah.

RODNEY SOUZA celebrated his tenth birthday last Monday with a party. Guests were Janet, Betty and Gena Marks, Nancy Silva, Richie and Lionel Fries, Russell and Andy Pierce, Mary Anne Montero, Patsy Frias, Ronna and Kenadine Souza, Mark Runnels and Jimmy Barth.

MR. and MRS. ORVIL HAYNES and family enjoyed a trip to Richmond and a visit with Mrs. Haynes' mother, Mrs. V. C. Scott, last week-end.

FIVE MEN, FIVE DEER. Joe Milani, Louie and Joe Caldiera, J. L. Martin and John Perra returned from a successful hunting trip in Nevada last week with one big buck each.

KEN BLYTH enjoyed a weekend off from Fort Ord at the home of his parents, Mr. and Mrs. Jim Blyth.

FISHING in Redding last week end were Art Cotton and Leo Olk.

MEMBERS of the committee for the Portuguese Radio Club card party are: Mrs. Mary R. Duarte, chairman, Mrs. Herminia Cunha, Mrs. Pauline Martin, Mrs. Mary L. Santos, Mrs. Mary Correia, Mrs. Helen Fontes, Mrs. Josephine Aguiar, Mrs. Armanda Machado, Mrs. Mary Lindo and Mrs. Francis Lewis.

A VISIT with grandparents, Mr. and Mrs. Antonio Cunha, was enjoyed by Herminia and Nancy Lee Cunha last week.

DINNER IN OAKLAND was enjoyed last week by Mrs. Charles Davis and Mrs. Ruth Jones of Oakland.

MRS. BILL SEE gave a party last Monday in honor of her son, Dinky's fifth birthday. Playing games and enjoying refreshments were Virginia and Dean Cahoun, Linda Lloyd, Paulette Snowden, Linda Guener, Jenny and Judy Runnels, Madge Dias, Nancy Burnett, Butch Perl, Rickey DeKnoop, Willie Walker and Charles and Velma Pool.

CELEBRATING their 18th wedding anniversary on October 8 were Mr. and Mrs. Orvil Haynes.

MR. and MRS. R. C. SPRINGER were dinner guests of Mr. and Mrs. Adolph Arroz of Oakland last Saturday.

MARIAN HAYWARD is in Los Banos this week visiting with her grandparents, Mr. and Mrs. Harry Said.

GUESTS of the Tony Maciels last Sunday were Barbara Goularte, Nelson Powers, Mrs. Manuel Caldeira and daughter Diane, Mrs. Clifford Rogers and family of Centerville, and Mr. and Mrs. Mac McIver and daughter, Pamela, of San Jose.

MRS. FRANK FERRY was hostess at a party given in her home October 8. Present were Eva Serafino, Nadine Boyce, Clair Marshall, Edith Roderick, Polly Milan, Mrs. Ferry's mother, Mrs. Augustine Schulz, and Jan Meyer.

LAST WEDNESDAY Mrs. R. C. Springer, Mrs. Joe Dias and Mildred Soito spent a pleasant day in Oakland.

SPECTATORS at the University of Santa Clara-C.O.P. freshman football game last Saturday were Mr. and Mrs. Marty Sammon and Margaret Stout. Playing end on the Bronco team was Marty Jr. Also at the game were Allan Olk, Frank Murakami, Richie Fragulia and Perry Dean.

THE NEWARK RECREATION committee wishes to thank all those who cooperated to make the cake sale such a success.

A FOLK DANCING CLASS for beginners was started October 7 at Washington High School and will be held each Tuesday evening. Mr. and Mrs. Ed O'Mara of Newark will teach the class.

EMILY JANE SCOTT will be home from Cal this week-end to be present at a bridal shower given by her mother, Mrs. Sam Scott, for Marilyn Abacherli.

MRS. MARY LOUISE SMITH was guest speaker at the Newark P.T.A. meeting last Tuesday. Mrs. Smith spoke on speach and hearing difficulties in the school child. Members of the P.T.A. observed the kindergarten class in session. Mrs. Earl Willburn appointed a committee to discuss the P.T.A. project for the year. Mrs. Clarence Soito was named chairman and will be assisted by Mrs. Wayne Thiessen, Mrs. Robert Lloyd and Mrs. Rose Martin.

NEWARK TRACT OKEH

A 300-home subdivision near Mayhew Landing Road, planned by Smith-Peters Co. of Hayward, was approved this week by the County Planning Commission.

Adams Adds Seller

Joe Adams, Centerville Ford dealer, today announced the addition to his stales staff of Howard W. Conley of Alvarado.

Conley, who moved to Alvarado in 1946 with his marriage to the former Mae Dutra, is a former member of the police forces of Livermore and Las Vegas.

A Navy veteran of World War II, he also attended San Jose State College, where he was on the wrestling team. Conley recently returned from six months in Alaska as dispatcher for an airline.

He will work under Sales Manager William Short.

During his first term, President Grover Cleveland vetoed 312 bills.

Anniversary Surprise For the Alfred Nunes

A surprise anniversary party was held for Mr. and Mrs. Alfred Nunes of Washington Avenue, Centerville, on October 5. Hostess for the evening was their daughter, Eleanor. The anniversary pair received many handsome gifts.

Those who attended were: Mrs. Mary Nunes' father, Joaquin Martin; her son, Frankie, and his fiancee, Bettie, and her parents, Mr. and Mrs. John Calderia and daughter, Rosemarie, and Mr. and Mrs. Arthur Ludeche from Niles.

Mr. and Mrs. Frank Gomes from Warm Springs, Mr. and Mrs. Tom Terra and Mr. and Mrs. Arthur Salotti from Oakland; Mr. and Mrs. Tony Martin and son, Gary, from Newark; Mr. and Mrs. Frank Perry, Mr. and Mrs. Joe Perry, Mr. and Mrs. Don Norris, Mr. and Mrs. Joe Silva and daughter, Joan Marie, Mr. and Mrs. Ned Alonzo and daughter, Irene, and Tillie Wernette, all of Centerville.

Sending gifts but unable to attend were Mr. and Mrs. Eddie Saraiva, Mr. and Mrs. Jane Davis and daughter, and Mr. and Mrs. Frank Ventura.

Bridal Shower

Carolyn Rogers of Niles, who will be married to Remo Caminada of Decoto this Saturday in Reno, was the honoree at a bridal shower given Tuesday night at the home of Mrs. Caroline Rose, 517 Second Street, Niles.

Hostesses for the evening were members of the Corpus Christi Church choir, of which Carolyn is also a member.

Present were. Mmes. Caroline Rose, Catherine Mozzetti, Helen Lewis, Edna Halloway, Albie Mae Lemos, Nina Mendoza, Adeline Viveros, Marie Santos, Emily Faria, Ernestine King, Juliette Bryner and Edna Gamba; and the Misses Dolores Rose, Charlotte Lewis and Diane Avakian.

Refreshments were served from a table centered with a fall flower arrangement circling a cake inscribed with "Congratulations, Ray and Carol." A silver horseshoe with two wedding rings were used as cake decorations and given to the to-be-weds as keepsakes.

Attending the couple at their wedding Saturday will be Mr. and Mrs. Roy Mendoza of Niles.

COLLECTOR'S TEA, SPONSORED BY TOYON, PROMISES TO BE OUTSTANDING EVENT

People, and especially women, love rare china, crystal and silverware. Some of the lovliest will be on display at the home of Mrs. Edwin E. Huddleson in Mission San Jose on October 23.

The Toyon Branch of the Children's Hospital of the East Bay is inviting the public to see some rare collections kindly lent by several women in Washington Township and Berkeley. These include Mrs. O. N. Hirsch of Irvington who will show pitchers; Mrs. Russell Rees of Berkeley, Miniature lamps and teapots; Mrs. A. B. Flint of Berkeley, buttons and boxes; Mr. and Mrs. J. A. McDonald of Mission San Jose, goblets and wines; Mrs. Carl Roberts, Mission San Jose, antique Canton china; Miss Jackie Haynes of Irvington, silver spoons; Mrs. Dora May Scudder of Niles, old Moss Rose china; Mrs. LeRoy Broun of Centerville, cut glass, and Mrs. Huddleson, some rare "Three Face Glass."

No nicer afternoon could be spent than in browsing around this fine collection and enjoying a cup of tea at the lovely house of the Huddlesons. The party will be from one to five.

Silver Anniversary For Duffy Lewises

Mr. and Mrs. Joseph Duffy Lewis of Centerville celebrated their silver wedding anniversary last Sunday at a party in their honor in the home of Mrs. Lewis' mother, Mrs. Mary Francis.

The day started with the Lewises 25th anniversary noted at a mass offered by Father John E. Curran in Holy Ghost Catholic Church. The ceremony was requested by Mrs. Lewis' sister, Mrs. Ethel Francis.

Then a buffet supper honored the couple at Mrs. Francis' home. Silver and chrysanthemums were arranged by Mrs. Thomas Power, and gifts and congratulations followed.

Guests included: Mrs. Power, Paul Power, Velva Pomodor of San Jose, Mr. and Mrs. Charles Tinker, Le Roy Moora, Marlene Andre, Mr. and Mrs. Alvin Joseph, Jimmie Moora, Mrs. Francis, Miss Francis, Mr. and Mrs. Raymond Anderson and family, Mr. and Mrs. Joseph Patrick Jr. and daughter, and Miss Angelina Quadros.

Mr. Lewis recently was awarded a 25-year service pin symbolic of his service with the California Highway Patrol.

Turkey Whist

The Holy Rosary Guild of Our Lady of the Holy Rosary in Decoto will have a turkey whist on Sunday afternoon, November 23, at 2 o'clock. This will be in the new Parish Hall. Mrs. May Soito is chairman.

Bazaar-Tea

An opportunity to do some early Christmas shopping is being offered to the women of the community at a bazaar-tea being given by the Centerville Presbyterian Church Women's Society on the afternoon of October 25, at the church.

Hand-made articles of every type will be shown at the various booths.

In charge of refreshments will be Mrs. Ralph Logan, food sale, Mrs. Gerald Meekins; plants and bulbs, Miss Margaret Fair; toys, aprons, knick-knacks, Mrs. Clyde Storer; Christmas cards, Mrs. Rose Farley; grab-bag and parcel post, Mrs. Johnnie Gildersleeve.

'On Your Golden Wedding Day . . .'

Married 50 years, Mr. and Mrs. Enosenso Pacheco of Santos Aveune celebrated their golden wedding anniversary last Saturday when more than 30 guests surprised them at their home during a party given by their sons.

The sons and their families, Mr. and Mrs. Tony Pacheco of Niles-Mission Highway, and Mr. and Mrs. Joe Pacheco of Hayward, also presented their parents with gold rings in commemoration of their wedding in 1902.

St. James' Parish Dinner

The annual autumn Parish Dinner of St. James' Episcopal Church of Centerville is to be given at 6:30 p.m., Wednesday, October 29, at the Guild Hall.

Reservations for the dinner, which this year is to be given by members of the Young Peoples' Fellowship, can be made with Mrs. R. A. Sparrowe or Mrs. Claire Lopez, both of Centerville. The cost will be one dollar per person except for children under 12 the cost being 50 cents each.

Home from Korea

Returning home Sunday from 18 months overseas in the Korea combat zone was Corporal Eugene Robinson, grandson of Mrs. Lillie Robinson of Irvington. Corporal Robinson arrived at Ft. Mason aboard the transport USS Gen. Pope, and then left for processing at Camp Stoneman.

He has been serving as a postal clerk and mail-truck driver for units of the 40th Division. According to Mrs. Robinson, he is due home from Stoneman today

There's more to Going Pullman than a good night's sleep!

Ever stop to think why train travel—and especially S. P. Pullman travel—is such a restful, relaxing and satisfying way of going places? Actually there are lots of reasons—some big, some small. Mostly it's because everything is done so smoothly and unobtrusively for your comfort and pleasure.

What other mode of travel gives you all this? Full-length beds with full-size sheets and blankets; a private room of your own, if you wish, with its own private lavatory facilities; air-cooling and air-conditioning; a friendly porter to give you prompt and attentive service day or night; complimentary shoe shines; ice water at your finger tips; delicious Dining Car meals, courteously served; a Lounge Car for refreshing beverages, magazines, newspapers and congenial traveling companions.

For overnight or longer trips—whether along the Coast or to the East—Southern Pacific streamliners provide the very finest of modern Pullman accommodations. Try them for *your* next trip. They are the last word in luxury travel.

THERE'S MORE TO S. P., TOO! S. P. is a road to remember for your freight shipments. We have more miles of lines serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service — whether carload or l.c.l. — call our nearest agent.

Next time-try S·P

WUHS 120 CAGERS TAKE S.C., 37 to 34

Freddie Vizcarra sank a field goal with less than a minute to play to give Washington's 120-pound cagers a 37-34 win over Santa Clara last Thursday, on the Panther gym floor.

The Panthers, however, copped the 110 tilt, 27-23.

It was the 120's second league victory, and the 110's second loss in league play.

Vizcarra tanked 20 points

IMPROVING HUSKIES STOP LICK, 13-6, TO TOP SCVAL: PLAY PANTHERS TONIGHT

By BOB HIRD

Behind the running and passing of John "Chico" Chacon and the sterling defensive play of Ed King, Washington High squad opened its 1952 SCVAL grid season and upset the touted James Lick Comets 13-6 Friday night before 2,000 fans in Washington Memorial Stadium.

It was the first league encounter for both clubs, and it left the Washington eleven on top, as Santa Clara and Mt. View tied 0-0 and Campbell held Fremont to a 7-7 deadlock.

The first quarter found both the Comets and the Huskies playing a defensive game. Neither club was able to score. The local eleven held the pigskin inside the Comet 20-yard line several times but the Lick defense stiffened each time.

The Huskies finally found a leak in the Comet defense early in the second quarter, after King picked up a fumble on the Lick 40. With Chacon and Frank Murakami doing most of the running, they marched to the Comet 18. Then the 130-pound Murakami broke off tackle and skittered into the end zone for the tally. Ed Valles converted and Washington led 7-0.

Following the touchdown, the Comets took the kickoff on their own 25 and pounded to the Huskies' 30 on the running of fullback Benny Guzman. Then the Comets' smooth "T" quarterback Stan Azcarte flipped a pass to right end Bryce Jessup for the T.D. The try for point was smothered, and Washington led 7-6.

The Huskies put the game on ice later in the same period when, after another Comet fumble, and after a series of passes from Chacon to Jim Bolivia, Chacon rammed his way over from the one-yard line.

The biggest Comet threat in the second half came late in the fourth quarter when Guzman skirted right end for 66 yards to the Husky 30 yard line. But again the Washington defense held and stopped the drive.

Chacon and Murakami paced the Huskies' offensive attack while King, a two-year veteran center, played a brilliant defensive game. King is a nimble 185-pound senior and reportedly stands a good chance of making the 1952 all-SCVAL team.

Bob Brazil and Clarence Souza also shone on defense for the Orange and Black.

Bob Lunsford got off several rolling punts to bottle the Comets deep in their own territory much of the game.

Tonight, both the Huskies and Puppies will seek their second league victory as they journey to Santa Clara to take on the Panther elevens. The varsity game is slated for 8 o'clock with the preliminary game starting at 6 p.m.

Friday's score by periods:

Washington	0	13	0	0	—13
James Lick	0	6	0	0	—6

Touchdowns— Murakami (W), Chacon (W), Jessup (JL)

PUPPIES CHEW UP LICK'S B's, 28-7

Touchdown-happy Washington "B's" overwhelmed their second straight opponent last Friday as they defeated the James Lick yearlings 28-7.

Frank Velarde opened the scoring for the Puppies in the first quarter as he skirted left end twice, once for 20 yards and once for 25. Don Leach added the conversions and the Puppies led 14-0.

Eddie Fletcher raced four yards around right end early in the second quarter to give the local lightweights a 21-0 lead. Leach again converted.

Final score for the Puppies came in the third period on a pass play that covered 60 yards from Tino Rangel to Jess Pineda. Leach added his fourth straight conversion.

"Portals of the Past," classic doorway of the A. N. Towne residence, destroyed by the 1906 earthquake and fire, stands in San Francisco5s Golden Gate Park.

Score by quarters:					
Washington Bs	14	7	7	0	—28
Lick Bs	0	0	0	7	— 7

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Vote "YES" on Proposition 2

(General Election, Tuesday, November 4)

CALIFORNIA COUNCIL OF EDUCATION

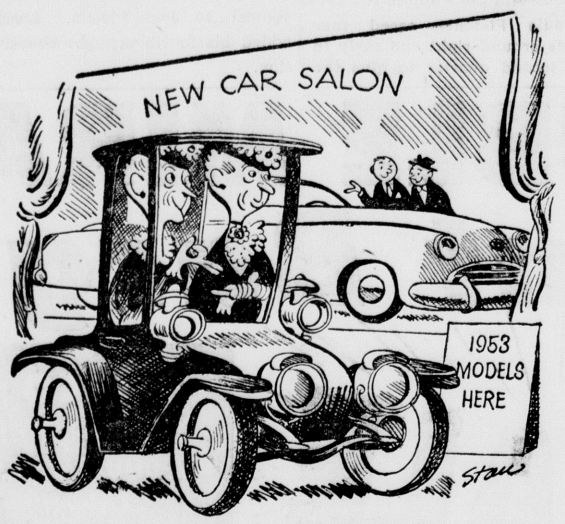
DOCTOR RECOVERING

Dr. E. M. Grimmer Sr., stricken last week in Elko, Nevada, is reported recovering here today.



"But why not, Matilda? After all, aside from taxes, gasoline costs about the same now as in 1925!"

It takes a far smaller share of your income to keep your car in gasoline today. Oil men have been beating increased costs with technical efficiencies that hold prices down—*and yield better gas:* two gallons now do work that used to take three. That's *progress.*

PATTERSON TRACT 'PILOT' OKEHED

The initial 38-home unit of the giant projected Patterson Tract subdivision won approval Wednesday from the County Planning Commission.

The "starter" unit is located on Thornton Avenue almost opposite the unfinished elementary school.

John Brooks, executive of F. J. Leonardo and Son, builders, told the commission his firm will agree to a 78-foot setback on the narrow site to allow for widening Thornton.

The tract must drain north to natural runoff features, the commission ruled. Work is expected to start this month. The property connects on the north with the proposed 2500-to-3000-home subdivision now under option to Leonardo.

WHITAKER TO SPEAK AT NEWARK C. C. MEET

L. S. Whitaker, president of the hospital board, will be the guest speaker at next Tuesday's meeting of the Newark Chamber of Commerce, to be held at the Youth Center, starting at 8 p.m.

S. G. Scott, one of the directors on the board, will also be present.

Whitaker will give a talk on the proposed hospital bond issue, coming up for vote in November.

The public is invited.

Most sheep-grazing in the Central Valley now is done on leased land.

Edward L. Leal, seaman, USN, son of Mrs. Theresa M. Yuhase of Box 56, Niles, Calif., is working in the commissary division, Commander Naval Forces Philippines, Subic Bay, Island of Luzon, P. I.

Centerville School

AT FOOTBALL GAME

Seventh and eighth grade classes of the Centerville Elementary School attended the Oregon State-Stanford University football game at Stanford Stadium last Saturdday afternoon. The students were the guests of the Stanford Department of Athletics, and were accompanied by Principal Tom Maloney, Mrs. Alice Lambrecht, Mr. Philip Brazil, and Mr. Edward Dutra, bus driver.

SAFETY DISCUSSED

Officer Edison Ayres of the California Highway Patrol discussed "Safety" with the second and third grade classes on Thursday.

VISITS CLASSES

Mrs. Grace Rowe, director of teacher training at San Jose State College, spent October 8 visiting classes here.

Jailed on Fight Rap

Howard Cook, 31, of 2371 Dairy Avenue, Newark, was arrested early Sunday on charges of battery and disturbing the peace after he allegedly struck a special officer in a dance hall north of Niles.

Complaint against Cook was brought by Special Deputy Leo J. Smith, who said Cook punched him in the face during an altercation. Cook denied the charge. He was released on $100 bail to appear here October 21.

CHRISTMAS PARTY

The Niles Rotary Club will hold its annual Christmas Party December 20, according to President Clifford K. Dennis.

NEWARKER FACES MORALS COUNT

Antonio Ceniceros, 26, Newark ranch hand, was arrested Friday and charged with molesting a 15-year-old schoolgirl who was waiting for a bus.

Ceniceros was traced after the girl reported to high school authorities that a man in a car accosted her at PG&E Road.

To arresting deputies, Ceniceros reportedly admitted the act. He was arraigned Tuesday before Judge E. A. Quaresma and remains at liberty on $100 bail, to appear again November 18.

Ceniceros is charged under the so-called "dissolute vagrant" law.

There is a total of 3745 certified tree farms in the United States.

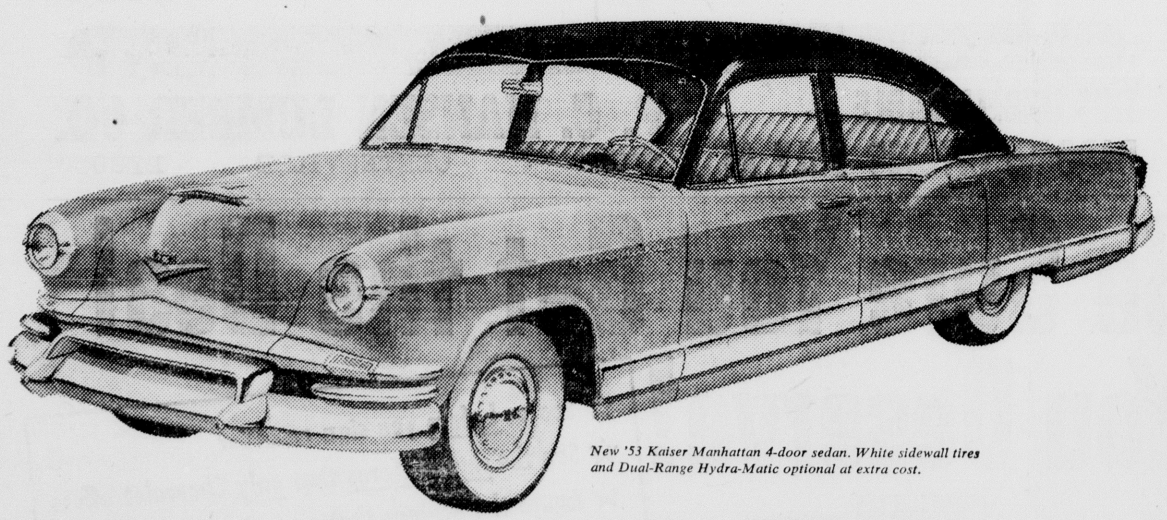
Announcing the
NEW '53 KAISER
WORLD'S FIRST 'SAFETY-FIRST' CAR



New '53 Kaiser Manhattan 4-door sedan. White sidewall tires and Dual-Range Hydra-Matic optional at extra cost.

At last—a beautiful car that puts your safety first!

You'll actually *feel* and be safer—and so will your family—the first time you *drive* the 1953 Kaiser.

Kaiser's famed safety-engineering that won acclaim last year with the World's Safest Front Seat has now been applied to every inch of the beautifully new '53 Kaiser.

You'll revel in its dashing "hardtop" styling... its dramatic custom-styled interiors... and its thrilling *new power!* But most of all you'll want the *value* it represents—and the value it places on your safety.

This year, play safe... before you buy any car, see the new '53 Kaiser!

Safety-first brakes! Almost twice average brake lifetime, plus more stopping power!

Safety-first steering! Takes curves safer up to 20 miles an hour faster!

Safety-first chassis! Strongest—with the lowest center of gravity!

Safety-first vision! Largest glass area in any sedan!

Safety-first power! More horsepower in the new Supersonic Engine!

Safety-first lighting! Safest visibility from all sides!

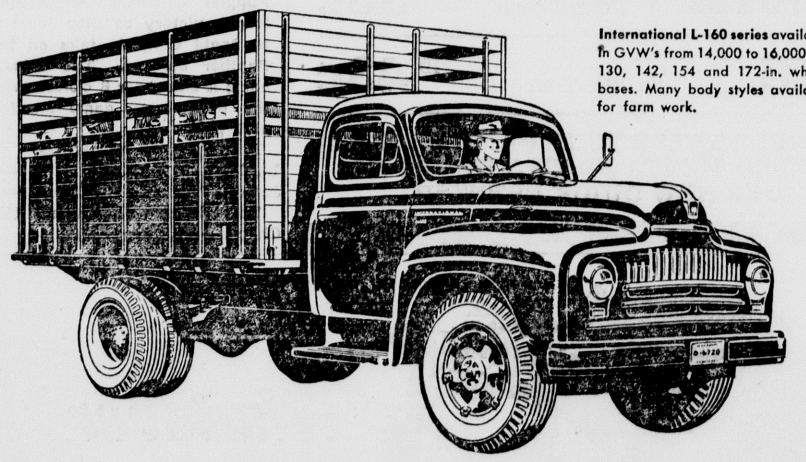
ROSE & VALENTE K-F MOTORS
CENTERVILLE, CALIFORNIA



International L-160 series available in GVW's from 14,000 to 16,000 lbs. 130, 142, 154 and 172-in. wheelbases. Many body styles available for farm work.

Drive the truck that fits your farm!

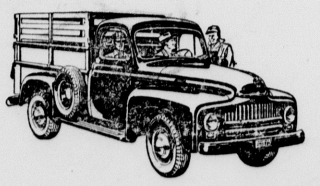
Internationals are built by men who know farm needs. That's why the International truck you buy for your farm is perfectly fitted to the job.

Here is the ruggedness a hard-working farm truck must have, plus unequalled dependability, extra years of efficient, economical service.

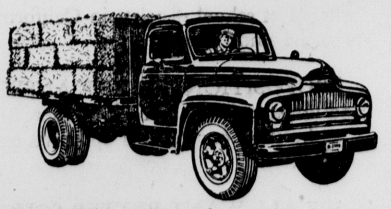
Come on in and let us help you find *"the International that fits your farm."*

Why farmers want Internationals:

- Silver Diamond valve-in-head truck engines are rugged, packed with extra power. Engineered to save you plenty on operating and maintenance costs.
- The roomiest, most comfortable cab on the road—the Comfo-Vision Cab. One-piece Sweepsight windshield. Green-tinted, non-glare safety glass available.
- Super-steering system—more positive control. Wider front axles make possible full 37° turning angle for greater maneuverability.
- 115 basic models . . . everything from ½-ton pickups to 70,000 lb. GVW ratings. Chassis adaptable to a wide variety of body types.



Right for the farm. The AD-A-RAK adds real utility to your International pickup. Available for 6½, 8, or 9-ft. pickup bodies.



Use it hard! The International L-160 series is famous for its stamina. Stake body sides removable for flat-bed utility as shown.

Better roads mean a better America

TV NEWS

By WES SEARS

Television at last is whipping its hottest problem—too much heat in the studios—by electronic temperature controls. TV studios need three times as much cooling as radio stations and despite the progress made in designing more sensitive cameras, TV studios still need an average of at least 100 foot candles of light per square foot. But the new electronics temperature controls keep down the heat . . . even the 400 BTU's per hour thrown off by an actor's body!

We usually think of the co-axial cable stretching across the country only in terms of television. But that's only a small part of the work done by a co-axial cable. In addition to transmitting TV pictures most cables also carry hundreds of telephone conversations, teletype messages and network radio programs.

TV or not TV: an advertising agency survey shows that evening video is watched 86 per cent of the time in TV homes on weekdays . . . now it's movie star Dennis O'Keefe who is jumping into our new medium with a series next month . . . so is author Dale Carnegie . . . so is Tallulah Bankhead . . . shucks, they're all doing it. Ah, this television! To get top efficiency out of your TV set, you need expert servicing. Remember we specialize in Television service . . . our men are factory trained technicians. If your set doesn't operate properly, call us today at

SEARS & HOUSTON

We also carry records (in all 3 speeds) of each week's 10 top tunes on the Hit Parade.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE
DECOTO SCHOOL DISTRICT
1951 SCHOOL BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Alameda, State of California, at the office of the County Clerk and ex-officio Clerk of said Board of Supervisors, in the Court House, 1225 Fallon Street, Oakland 7, Alameda County, California, on October 28, 1952, at the hour of 11 o'clock A.M., (P.S.T.) for the purchase of $37,000.00 principal amount of the bonds of the Decoto School District of Alameda County, State of California, more particularly described below.

ISSUE: $37,000.00 consisting of 37 bonds of the denomination of $1,000.00 each, numbered 64 to 100, both numbers inclusive, all dated July 1, 1951 (being the balance of an issue of $100,000.00 authorized at an election held in said district April 10, 1951, $63,000.00 principal amount of which has heretofore been issued and sold and $58,000.00 of which are now outstanding).

INTEREST RATE: Maximum five (5) per cent. per annum, payable semi-annually on January 1st and July 1st in each year. Bidder must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent. per annum, payable as aforesaid.

MATURITIES: Said bonds hereby offered for sale mature serially in consecutive numerical order, from lower to higher, $2,000.00 on July 1st, 1964 and $5,000.00 on July 1st in each of the years from and including 1965 to and including 1971.

PAYMENT: Both principal and interest payable in lawful money of the United States of America, at the office of the County Treasurer of Alameda County, in Oakland, California.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said Decoto School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds are authorized to be issued and sold for the purpose of raising money for the following purposes:

The purchasing of school lots;

The building or purchasing of school buildings;

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;

The supplying of school buildings with furniture or necessary apparatus of a permanent nature; and

The permanent improvement of the school grounds.

SECURITY: Such bonds are general obligations of the Decoto School District of Alameda County, State of California, and the Board of Supervisors of the County of Alameda has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said Decoto School District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates) without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by the decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Messrs. Orrick, Dahlquist, Neff & Herrington, Attorneys at Law, of San Francisco, California, approving the validity of said bonds will be furnished to the successful bidder without charge, together with a certified copy of the transcript of proceedings.

The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from July 1, 1952, to the respective maturity dates of the bonds at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. Said Board of Supervisors reserves the right, in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than October 28, 1952. Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Alameda County in Oakland, California, as soon as the bonds can be prepared, which, it is estimated, will be within thirty (30) days of the date of sale. The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within sixty (60) days of the date of sale and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid. The cost of printing the bonds will be borne by the District.

All bids must be unconditional, for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of Alameda County, State of California, and endorsed "Proposal for 1951 School Bonds of Decoto School District of Alameda County." With each bid must be submitted a certified check or cashier's check for $150.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Alameda County, to secure said Decoto School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respecive bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

Information relative to the financial condition of said District will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and said County will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: October 7, 1952.
JOHN JOSEPH KINGSTON
County Clerk and ex officio Clerk of the Board of Supervisors of Alameda County, State of California.
Oct. 10-17

NOTICE TO CREDITORS

No. 121002 Dept. 4

NOTICE IS HEREBY GIVEN by the undersigned Administratrix With the Will Annexed of the Estate of MARY LEONORA DUARTE, deceased, to the creditors of and all persons having claims against the said decedent to, within SIX MONTHS after the first publication of this notice, either file them, with the necessary vouchers, in the office of the Clerk of the Superior Court of the State of California, in and for the County of Alameda, or present them, with the necessary vouchers, to me, at the law office of E. A TIME FOR DECISION

The Democrats have had their say. So have the Republicans.

We have heard Truman and Stevenson take credit for social gains and prosperity. We have heard them warn that the Republicans will take away the gains and deliver the prosperity to the privileged few.

And we have seen the Republicans point to corruption in Washington, to fumbling on the foreign front. We have heard Eisenhower and Taft warn that disaster impends if the Administration isn't turned out.

This week a lot of Americans will decide that everything has been said by both parties. They will make up their minds how they want to vote. We have tried to keep an even keel throughout the campaign. Now we have reached a decision. Here's why.

Take the issues: we think the past 20 years have seen the average man's lot greatly improved. Progressive administration in Washington under Franklin Roosevelt helped. Intelligent opposition by enlightened Republicans helped too, believe it or not, by keeping a brake on runaway idealism. But the biggest pushes came from a changing world in which the average guy was demanding more and more of a share, and from the most expensive war—and aftermath of war—in history. No politician will claim credit for that.

All right. For whatever reason, we Never Had It So Good. Whether the Democrats stay in, or the Republicans take over, will any great changes be made? Look at England: The Labor Government went out, Churchill's boys went in. Did the new government dump social welfare? In a pig's eye! Churchill & Co. had no intention of cutting their own throats.

Is it reasonable to think that the Republicans would cut theirs? Not even Senator Taft believes he can turn the clock back 20 years. That kills the argument that anybody is going to Take Anything Away.

The Republicans' claim that they will clean out crooks and Communists will have to be proven too. However 20 years in power is a long time. Any party gets sloppy about details in 20 years.. Like seeing that income taxes get into the Treasury and not into some politician's pocket. Periodic turnovers are good in politics, just as they are among football coaches. Gives the team a shot in the arm, a will to win.

So much for the domestic issues, such as they are. Now we come to the one that makes or breaks us. The international picture.

Instead of waging a confident, aggressive campaign for the minds of those who remain outside the Iron Curtain, the Truman-Acheson administration acts like it was ashamed of being American. It would rather be nibbled to death waiting for the millenium. Maybe Truman and Acheson think they're winning. We don't.

The President makes foreign policy. Mr. Truman is hardly fitted by intellect or training to outwit Stalin. Is Governor Stevenson? The governor, a newcomer to the big time, is brainy and honest with himself. But has he the confidence, the sure touch we need now? Remember, this is no time for self-doubt. Our leader must know where he is going, then he must go. Any backsliding plays into Russia's hands. She knuckles down only to strength and sure-footed action.

Which brings us to the final decision. We believe Dwight Eisenhower has shown the qualities we need. He has dealt with the Russians, he knows their nature. He has strength of character, sureness of decision born of a thousand crises. He has them in greater quantities than any other American.

And Dwight Eisenhower has moral purpose, demonstrated on the top-levels of Washington and NATO, demonstrated again in his fair and firm handling of the Nixon Fund incident.

Therefore we are going to vote for Dwight Eisenhower, and we believe most of our fellow-Americans are too.

News of Township Churches

ASSEMBLY OF GOD
Newark

The "Good News Radio Hour" originating in the Newark Assembly and featuring local talent, will take to the air lanes starting Monday, October 27, over Station KEEN, 1370 kilocycles, and will run Monday through Friday mornings at 8:05, immediately following the 8 o'clock newscast.

The programs will be directed by Pastor and Mrs. Riley Kaufman, who spent a number of years in radio broadcasting.

Tonight at 7:30, there will be a Christ's Ambassadors youth meeting.

"Stop! Look! Listen!" is the subject for the massage of Pastor Kaufman in the Newark Assembly evening at 7:30. Sunday morning his message will be titled "Bless and Multiply." The Assembly Sunday School welcomes all ages at 9:45 a.m.

CHRISTIAN SCIENCE CHURCH
Niles

On Sunday, October 19, the Lesson-Sermon in all Christian Science churches will have for its subject "Doctrine of Atonement."

The sermon will be comprised of citations from the Bible and correlative passages from the Christian Science textbood "Science and Helth with Key to the Scriptures" by Mary Baker Eddy.

CONGREGATIONAL CHURCH
Niles

"Your Faith—Weight or Wings" is the theme of Rev. Paul Focht's sermon for Sunday, October 19, at 11 a.m.

Church School for grade 1-8 will meet at 9:45. Nursery and kindergarten at 9:45. Mr. Donald Patterson is the superintendent.

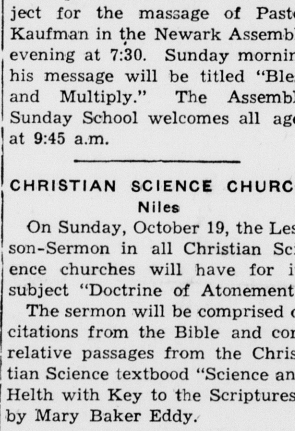
New officers of the church elected at the annual meeting, October 9, are: trustees, LeRoy Broun, Clyde Martin and Mrs. Helen Ford; deasons, Raymond Foote, Ellsworth Kerr and Charles Middleton; treasurer, Fred Duffie; clerk, Mrs. Margaret Duffie; deaconess, Mrs. J. W. Stocking; church schol superintendent, Donald Patterson.

FIRST BAPTIST CHURCH
Niles

Last Monday night was Family Night for the members and friends of the First Baptist Church. A large number of families met at the new building and spent several hours working, after which the ladies served refreshments.

According to the pastor, Rev. Noel Glover, the date of dedication will be announced next week.

Services are now being held at 151 I Street, Niles, until completion of the new building. This Sunday evening Rev. Fred Brock, pastor of the First Baptist Church at Petaluma, will be the speaker.



ATTEND CHURCH SUNDAY
•
YOU'LL FEEL BETTER FOR IT!

Annual Fall Parish Dinner, Wednesday, October 29, 6:30 p.m.

Rev. Arthur Freeman is rector.

The cornerstone of the White House in Washington, D. C., was laid October 13, 1792.

MYSTERY MAN IS ALWAYS ON CALL

Last week's mystery man was James "Mac" MacIntyre, popular maitre-d'hotel at the International Kitchen. Did you guess it? Try this one:

His father, an immigrant, settled near the old Vallejo Mill just six days before the earthquake of 1906. At 15 months, he was given up for dead by a doctor, but was kept alive by artificial respiration.

At the age of nine, he recalls heavy rains brought the threat of the Spring Valley Dam breaking, and how residents of Old Town were instructed to take to the hills if the danger point was reached.

Reared in Niles, he went to Washington Union High, then worked in an uncle's grocery in San Francisco while studying at Heald's.

In his early 'teens, he worked as projectionist in silent movies in Niles and Alvarado for Bill Helm and the late John Peterson.

He married a San Francisco girl. They have two sons and a daughter.

He helped found the Niles Junior Chamber of Commerce, and took the lead in placing the "Niles" sign on the hill to the east of town. He belongs to the Niles Volunteer Fire Department.

Not a doctor, he probably answers as many night calls as any M.D., and has traveled thousands of miles between Niles and Oakland trying to correct other people's troubles.

He is in the same business and in the same location as when he started 25 years ago.

Guess who!

GRAVEL PERMIT OKEHED IN SWITCH

(Continued from page 1)

into the Engineers' plans for taking the kinks out of creeks."

Mrs. Bendel's group for a time successfully blocked the use-permit for the pit by presenting a petition bearing about 100 names in opposition.

But Wednesday Dobrzensky submitted another petition favoring the excavation, signed by "more than 200" names of neighboring landowners, he said. Commissioner Fred Mellman asked if some were not the names that also appeared on Mrs. Bendel's petition, and Dobrzensky admitted "maybe 15 or 20 per cent were."

He also turned in a document signed by seven landowners who asked to remove their names from Mrs. Bendel's petition.

Dobrzensky also repeated the R&J offer to deposit up to $10,000 to beautify the pit after excavation is finished.

At Mellman's suggestion, the issue was tabled while the petitions were checked. Mellman hinted the commission might be ready for a decision by its October 29 meeting. But the faster action followed.

On Monday the Centerville Chamber joined Niles in asking delay until the flood survey is complete. Sole dissenting vote came from Charles Wauhab, real estate broker, who said the land in question "is in the bottom of the creek channel," and wanted a committee to examine the ground before the chamber committed itself.

But Dr. Merle Buehler reminded that the planning commission was meeting in two days, and won approval

Thinking Things Over . : :

By VIVIAN BATMAN

The publisher says I should write my swan song, for I am leaving next week for Prineville, Oregon, U.S.A.

After more than eight years of "Thinking," I am going to stop thinking. That is, I am going to stop thinking in Niles, and start thinking in Prineville. It's just a matter of changing the location of my thinking.

CROSSING THE BAR

Prineville is a town for hunters, cowboys, and loggers. All the men wear expensive Pendleton shirts, and expensive high-heeled boots.

It is not, however, a town for printers. That makes it a trifle difficult in running a newspaper. We had a printer up there last week, a different one the week before that, and still a different one the week before that.

What happened to them all? It may amaze you, considering that Oregon is supposed to be a fairly "dry" state, that they all passed out. By that, I do NOT mean that they died.

The last I heard of the printer we had last week was that he had entered a tavern equipped with an armload of Four Roses (in Oregon you bring your own liquor to a bar), staggered up to the bar, yelled out "Timber!" and toppled to the floor.

Naturally, printers under the "influence" do strange things to the type they set. For example, a little item that appeared in our Oregon paper a couple of weeks ago, told about an engaged pair who went to a party. The news story ended by saying the couple returned to Bend. On the printer neglected to put the "n" in Bend.

This naturally caused considerable consternation from many sources.

INDIAN INTERLUDE

I forgot to mention that in Prineville, in addition to the cowboys, hunters, and loggers, there are Indians. I sat down at a lunch counter up there and was startled when a man wearing long braids sat down next to me. His braids kept falling into his soup. I was completely fascinated.

After I decided he must be an Indian, I started to pass the time of day with him by saying "Ugh," having heard somewhere that the conversation of Indians consists of "Ugh."

He loked at me for a minute as though he contemplated scalping me and I wondered if they still do that these days, and he said, "Will you pass me the sugar?"

I was too startled to say more than "Ugh,huh," which didn't go over a bit well either, for I guess he thought I was still trying to talk Indian to him. So I got up and left

Vieux Family Reunion; Son Back from Korea

The Leon Vieux family of Niles is rejoicing this week, and for a very good reason. Mrs. Vieux's son, Sgt. Leon Vieux, has returned home after 19 months service in Korea.

He arrived Saturday.

To complete the family reunion, Mrs. Yvonne Vieux Sandlin planed in from her home in Texas this week with her two children. She plans to be here until November.

With the exception of a few remaining scars on his foot, resulting from a bullet wound, the young sergeant is in very good condition, according to his mother.

Mothers' Club Talks

A series of six orientation lectures will be held at Washington Union High School for the Mothers Club of the Washington Township Child Development Center, beginning Monday at 8 p.m.

Instructor will be Mrs. Carol Van Auker, teacher at the Oakland Co-operative School, who will explain duties expected of the mothers in working with the teacher of a nursery school.

New Baby Boy

Born last Saturday to the Lloyd T. Wilkins of Canyon Heights was 10-pound Lloyd David, at Hayward Hospital. The young man has three brothers, Gerald, Derold and Dale, and a sister, Alta Mae.

His grandparents are Mr. and Mrs. W. J. Campbell of 420 Third Street, Niles, and Mr. and Mr Stewart Wilkins of Hayward.
